

Luke 2: 41-52 Now every year his parents went to Jerusalem for the festival of the Passover. And when he was twelve years old, they went up as usual for the festival. When the festival was ended and they started to return, the boy Jesus stayed behind in Jerusalem, but his parents did not know it. Assuming that he was in the group of travelers, they went a day's journey. Then they started to look for him among their relatives and friends. When they did not find him, they returned to Jerusalem to search for him. After three days they found him in the temple, sitting among the teachers, listening to them and asking them questions. And all who heard him were amazed at his understanding and his answers. When his parents saw him they were astonished; and his mother said to him, "Child, why have you treated us like this? Look, your father and I have been searching for you in great anxiety." He said to them, "Why were you searching for me? Did you not know that I must be in my Father's house?" But they did not understand what he said to them. Then he went down with them and came to Nazareth, and was obedient to them. His mother treasured all these things in her heart. And Jesus increased in wisdom and in years, and in divine and human favor.

MODEL

Jesus in the temple

Materials – light blue paper, crayons, aluminum foil, markers, glue, grey paper, straws, patterns, thread and needle, fabric (optional)

Instructions –

1. Make a copy of the patterns for each model that you will make.
2. Using the light blue paper, fold one of the sides length wise 6cm. Put the smallest side on the table.
3. Cut the roof out of grey colored paper (see the pattern included in the lesson).
4. Make pillars out of straws, two for each of the center pillars and one for each of the pillars on the side. You can color the pillars with markers if you choose.
5. If you have aluminum foil, use the pattern to make the base and the top of the pillars. If you don't have it, you can make the pillars longer and glue the pillars to the sides and the floor and roof.
6. You can color a design on the floor.
7. Color the people figures.
8. Use the figures in the temple to retell the story.
