

**Bearing Fruit – November 7, 2021**  
**All Saints Day**

Today in communion we remember that we are part of a Church that is both militant and triumphant. Death does not stop our fellowship. We are all one in Christ, both the living and the dead. Part of being a church family is stepping up and sharing love in moments of loss and grief. One of those moments can be the final time we say good bye, a memorial service or a funeral. We also use All Saints Sunday as a way to acknowledge our grief by giving it to God and renewing our hope in God through Jesus Christ. Today during the Prayers of the People we will hold up to God in prayer the names of those who have gone before us in faith. They are the church triumphant. As we say each name followed by the tolling chimes for each group, we are praying. In this way we pray together through the grief and into the love of God found in Christ Jesus our Lord. Death does not have the last word!
